*Character Through Diversity,
Challenge & Accomplishment*

January 23, 2002

To Whom It May Concern:

Ron Lucero has been doing work for Harrison School District 2 for about five years. He does quality work, at fair prices, and in a timely manner. He has a good background and experience in construction.

I recommend Ron Lucero for his A-1 unlimited contractor license. He is a contractor in good standing with the Harrison School District.

Sincerely,
